Technology to Market: Domestic, Federal and International Legal Issues

Cosponsored by the Computer and Internet Law Section

Thursday, October 7, 2004 • 6.75 General CLE credits

World Forestry Center • Miller Hall • 4033 SW Canyon Road • Portland, Oregon

It's not enough to have a terrific invention or new technological application . . .

In today's technology market, effective attorneys need tools to navigate the fast-paced and ever-changing maze of regulations and legal issues. Get the latest about disputes in implementing international technology standards. Consider e-commerce privacy and protection issues while gaining insights in drafting agreements for inventions, licensing and software. Explore global outsourcing developments and discover how to facilitate imports and exports for your client. Learn how critical it is to keep your practice up to date with laws that adapt to rapidly changing technology.

Register by using this form or calling the OSB Order Desk at (503) 684-7413, or toll-free in Oregon at 1-800-452-8260, ext. 413.
